Customer Journey Map

Customer Journey Map – Credit Card Approval Prediction

Phase of Journey	Stage 1 Application Submission 	Stage 2 Verification & Credit Assessment 	Stage 3 Approval Decision & Card Issuance 
 Actions What does the customer do?	- Fills in application form - Uploads required documents - Submits application	- Waits for verification - Credit score and financial profile are evaluated - Receives status updates	- Receives approval/rejection - Downloads approval letter - Activates and starts using the credit card
 Touchpoint What part of the service do they interact with?	- Bank Website - Mobile Banking App - Customer Support	- Verification Team - Credit Bureau - Email/SMS Notifications	- Mobile App - Email/SMS - Bank Branch
 Customer Thought What is the customer thinking?	"Am I eligible?" "Did I upload all documents correctly?" "Will my application be accepted?"	"How long will verification take?" "Is my credit score sufficient?" "What is my application status?"	"I hope my application gets approved." "Why was it rejected?" "When will I receive my card?"
 Customer Feeling What is the customer feeling?	 Hopeful, Excited	 Anxious, Curious	  Happy & Confident (Approved) or Disappointed (Rejected)
 Process Ownership Who is in the lead on this?	 Customer Service & Digital Banking Team	 Credit Risk Assessment Team	 Card Operations Team
 Opportunities How can we improve this stage?	- Simplify application form - Auto-fill customer information - Real-time eligibility checker	- AI-based approval prediction - Faster verification - Live application tracking	- Explain approval/rejection reasons - Faster card delivery - Personalized suggestions for rejected applicants
